

Petition

TO The Legislative Assembly of Ontario:

WHEREAS in 2009 the Ministry of transportation received environmental clearance for six lanes of the 401 between Tilbury to London,

WHEREAS the 401 between Tilbury and London was already known as “carnage alley” due to the high rate of collisions and fatalities there,

WHEREAS the government pledged to invest \$13.5 billion dollars in highway improvements and has sharply increased the fees for driver permits and license renewal fees which are used for highway maintenance and improvements,

WHEREAS there has been another tragic fatal accident in Elgin County on the 401,

THEREFORE we the undersigned petition the Legislative Assembly of Ontario as follows: to commit to upgrading the 401 from four to six lanes and install a median barrier from Tilbury to London.
